## Notices and Reports

### ETCHINGHILL UPDATE

#### Village Hall - Open House

A surprise team of ladies from the Petanque club at Elham arrived the other Monday and despite being soundly beaten by them we have been spurred on to play a return match. The Elham team have agreed to come back again and give us some tips on the game. Our 'teams' are now training hard to meet this challenge.

Nearly 40 people attended the Open House Lunch on 27<sup>th</sup> July. Were you there? There was a wonderful variety of food for young and old, vegetarians or carnivores. A relaxing social event which by the by raised in excess of £100. Don't miss the next one

A very pleasant afternoon was spent at the Stelling Minnis Windmill on a summer day in August. A group of about 20 folk were given a very interesting tour of the working windmill, and then had an excellent cream tea to end the day.

Other events planned are

Monday 5<sup>th</sup> October - Talk on Inheritance tax

31<sup>st</sup> December - New Year's Eve Party

We have yet to finalise dates for a tour of Elham Valley Vineyard, a talk on the Palaces of Henry VIII, a table fayre, race night, a visit to a Magistrates Court and a quiz night

#### Village Hall - Farmers'/Craft Market/Car Boot Sale

Don't forget the car boot sales at the farmers market for September and October. Pre-booked spaces only so contact Anne on 863174 to reserve your spot (No commercial businesses) Have you tried the new stall with Indian food? The variety and selection of food stuffs and craft get better each time For details contact either Bryan on 862832 or Anne on 863174.

#### The Big Lunch

What was your street party like? The biggest one was in St Mary's Drive where over 50 people ate, talked, listened or danced to music and even karaoke'ed despite the cool weather. Do you now know the neighbours in your street?

#### Etchinghill Residents' Association

A big thank you to all the local residents who donated items for the Boot Fair. We were delighted when we raised the grand total of £150.00 towards the Christmas trees and lights to be positioned at either end of the village, hopefully in time for Christmas this year. We also have a number of items which we couldn't display at the first Boot Fair, so we are going to take another stall at the Boot Fair at the Farmers Market at the Village Hall on Saturday 5<sup>th</sup> September. Do come along and support us by either donating saleable goods or by coming along to buy something. We still have to raise approximately £1000 so any help will be greatly appreciated. Contact either Barbara on 862873 or Wendy on 863495 for further information.

We are also pursuing funding to replace the concrete balls and cap that was damaged by vandals at Meriden Park earlier this year. Unfortunately, Shepway DC feels unable to fund the repairs as they do not constitute "essential works" despite heroic efforts by Colin Manvell to change their minds.

We have also been made aware by British Telecom that they are no longer prepared to maintain the telephone kiosk outside the New Inn. There are a number of alternatives and the opinion of local residents is being sought by the Parish Council. If you would like to have your say please sign the notice held at the New Inn.

#### Dates not to be missed

Farmers Market and car boot sale      5<sup>th</sup> September, 3<sup>rd</sup> October 10.00 - 12.30 pm

Open House      Every Monday 10.00 - 12.00 noon Weather permitting - A game of Petanque  
Monday 5<sup>th</sup> October - Inheritance tax  
31<sup>st</sup> December - New Year's Eve Party

## Lyminge History Questions and Answers

The July 2009 Etchinghill weather statistics are as follows. Do you remember how wet it was?

Maximum Temp	29.9 °C (2/7/09)	Minimum Temp	8.9 °C (10/7/09)
Maximum Wind Speed	57.2 mph (20/7/09)	Max. Rainfall in 24 hours	23.3 mm [0.9 in]
	Beaufort Scale 10		(30/7/09)
	Storm Force	Monthly Rainfall	79.7mm [3.1 in].

The maximum wind speed appears to have been a single gust. I cannot recall any gales during the month. There was a similar recording in June.

**Q/A3** My thoughts about place names last month resulted in people contacting with some extra ones that needed adding to the list with possible reasons for their names:

- **Kimberley Terrace** - I have been told the terrace was named after the Kimberley Mine in South Africa. Web searches have revealed that a big hole (in fact an enormous hole) was mined there to a depth of about 800m [2625 feet] with a surface area of  $\pm 17$  hectares [42 acres] and a perimeter of  $\pm 1.6$ km [1 mile]. Between 1871 and 1914 a yield of 2,722kg [6,000lb] of diamonds was mined. Kimberley was named after John Wodehouse (1826-1902), 1st Earl of Kimberley British Secretary of State for the Colonies. Apparently he took his name from his birthplace, a village in Norfolk.
- **Court Lodge Green** - This is the field between the present-day churchyard and the village hall. Traditionally this field belonged to the Court Lodge which apparently was the Old Rectory before the title was transferred to the farm at New Barn. At the top of the field, where it narrows down, is the site of an old sheep enclosure or pound. (The 1837 Tithe Map shows this as a separate field - **Pound Mead**.) It was an English tradition to hold the local court sessions in such an enclosure. There is a photo of 'Promulgating a court baron' at the pound c1929 - early 1930s on the front cover of 'A Background to the Farms around Lyminge' by Mrs Edna Downes. There is a copy in the village library. Apparently this annual court dated back to 1292 and consisted of the manor's freehold tenants and paid "arrears of quit rents and reliefs due." Sometimes Court Lodge Green is now called the 'bumpy field' on account of the medieval terraces. Apparently kids in the 60's called it 'the green.' Incidentally, nowadays some people call Tayne field 'the green.'
- **Abbott's Field** - This is the area of churchyard west of the church, beyond the ragstone wall, and stretching north to south from the footpath right up to the Old Rectory boundary to the south. The last remaining area of that field being the area that's just been excavated by the archaeologists which apparently showed many post holes and latrines suggesting habitation. The finds possibly suggest that the monastery inhabitants lived there. Perhaps this connection with the old monastery explains the name.
- **Hog's Green** - This is the paddock above Abbott's field belonging now to the Old Rectory. This may have been named because pigs were kept there.
- **Jubilee Field** - Whilst I was looking at the Tithe Map I noticed that the field behind the village hall now known as Jubilee Field was called **Court Close** in 1837. This is also apparently a connection with the court. Why is it now called Jubilee Field?

**Q/A8** Several buzzard sightings have been reported to me this month. Firstly Yvonne Sancto saw one in Etchinghill catch a pigeon and disappear with it over the golf course. Dave and Honor Hunt-Cooke have seen buzzards at Woodlands Road, Stowting and Postling.

Andrew Coleman wrote to me; "I've been noting the eastward advance of Buzzards over the years in my travels around the country. It doesn't seem many years ago that you would have had to have gone to the western end of the M4 before seeing any. About four or five years ago I started noticing single birds on the southern part of the M25, then the M26 and then M20 and M2. A few weeks ago I came home and excitedly told any one who was interested (no one) that I had seen the first Buzzard east of Ashford on the M20. I think I've also seen a buzzard over the woods between Stowting and the M20 on a couple of occasions but these are not reliable sightings as they were rather distant. Last Sunday, whilst on my regular bike ride I saw two Buzzards above the woods on the road leading down from Bossingham to the Pett Bottom Road. I think they were young ones as they were doing a lot of flapping and mewing and generally gave the impression of 'larking about' rather than confidently soaring. Last Sunday's sighting was the first that I'd seen this far east, the closest I'd been, and the first time that I'd seen more than one at a time in these parts."

Andrew also told me of the following link to other sightings of buzzards in East Kent for those that are interested <http://www.wildaboutbritain.co.uk/forums/british-birds/20308-buzzards-east-kent.html>

Like Andrew I have been gradually watching buzzards trek eastwards. I came across my late grandfather's Readers Digest Bird Book of Birds a while back. He had obviously purchased the book in the 1960's and on the Buzzard page he had noted in pencil that he had first seen a buzzard over his garden in west Hampshire on a particular date in 1970. They are now very common there. It seems quite clear that buzzards have arrived here now. I wonder if we will think of them as a pest in a few years like some do in the South-West? I hope not. They seem to me to be one of the most marvelous birds and we are lucky that we are now able to see them locally.

That's all for this month. Can you provide me with any reasons for Lyminge's place names as listed in last month's newsletter? if any one wants to ask or answer another question then please contact me.

### **Lyminge Library**

The library has been very busy over the summer. The children's reading challenge this year is Quest Seekers, consisting of collecting stickers, cut-out, dragons certifies and a medal. Over eighty children have started so see if everyone can finish. The finishers are all entered into a prize draw.

Staff with the help from volunteers, children and adults, have created a reading garden. We will be having a bulb planting morning on Saturday 26th September 10.30 - 12.30, free tickets available soon.

This month's reading group book is Rosie Thomas - Constance next month J.G. Ballard - Empire of the Sun.

We now have a small glass display cabinet, this month we have a display of feather and beaded fascinators and corsages by Sharon Foreman. If you would like to display any hobby or craft please enquire at the library.

Baby Rhyme time starts again on the 10th September at 9.30, on 17th September we will be having a free baby signing session at 9.30.

New public commuters have recently been installed, free to use for library members.

### **Dangerous access to Bridleway on Stone Street**

Stone Street is a bit of a race track for cars and a number of bridleways 'dead end' on to it. One particular bridleway (HE39) exits onto it on a blind bend at Farthing Common (GR135406). It would only require a relatively short stretch of rerouting to make it exit onto the road where riders can see and be seen by the traffic and access the Farthing Common triangle quickly and safely.

HE39 is a particularly crucial path as it is the way that riders from Postling/Etchinghill can access Lyminge Forest and bridleways west of Stone Street. Without it riders in these areas are isolated and confined to roads as there are effectively no usable bridleways, which is why riders are still risking the hidden exit from HE 39 despite the dangers of the fast traffic on the blind bend. There are no other safer options.

Anyone who would like to support the campaign to get this bridleway re-routed or access made safer should contact Emma Getliffe on 01303 862 996 or [emma@havehorsewilltravel.co.uk](mailto:emma@havehorsewilltravel.co.uk) for details of who to write to at KCC

### **RED TELEPHONE KIOSKS**

British Telecom is in the process of removing its red telephone kiosks that are little if ever used.

They have earmarked two kiosks in Lyminge Parish; the one outside the New Inn in Etchinghill and the other in Woodland Road, Lyminge.

Notices were placed in these two kiosks dated 1<sup>st</sup> July stating that they would be removed in 42 days. The notices were not read until as late as 27<sup>th</sup> July. B T offered councils three options as follows;

1. The kiosks could be "adopted" at a cost of £1 but the telephony equipment would be removed.
2. Councils can "sponsor" a kiosk at a cost of **£500 per annum** but the telephony equipment would **not** be removed.
3. The kiosks will be removed

B T has been contacted regarding the short notice and it appears to have been erroneous, after consultation with councils, the process of removing kiosks will not commence until after 1<sup>st</sup> October. B T also acknowledged that the kiosk outside the New Inn is grade 2 listed and cannot be removed but that the telephony equipment is not listed and can be removed.

The Lyminge Parish council are anxious to obtain the views of our parishioners as to which of the options they would prefer. To date, some 50 parishioners have responded to a petition in Etchinghill regarding the kiosk outside the New Inn, most would like to have the kiosk adopted but a smaller number are in favour of keeping the telephony equipment.

If you would like to express your views regarding the kiosk in Woodland Road please contact Councillor Richard Chubb (862015) and Councillor Colin Manvell (862324) regarding the kiosk in Etchinghill.

Suggestions as to what use the kiosks might be put to, e.g. a site for local artists to display their work, would be welcomed.

The Council will be discussing the matter at their General Purpose Committee meeting on Monday 7<sup>th</sup> September.

## LYMINGE HANDBELLS

The Lyminge Handbell ringers were pleased to play on Lyminge Day and have bookings at other local events to look forward to. If you have a special event this summer, where the sound of traditional hand bells will add to your celebration, why not consider handbells? We have a large selection of popular and classical music for all occasions. All we need is a large table, room for up to 10 players and a donation of at least £40 for our charity, the Pilgrims Hospice. A contribution to travelling costs is asked for if bookings are at locations more than 5 miles from Lyminge. Weekends and evenings only please and plenty of advance notice.

To request a booking please speak to Ro Edmond on 863201

### BE AWARE

Could you make the readers aware that they need to be vigilant as there are Burglars in the area - - Today I had 2 young Irish boys (late teens) try to break into my house in Palm Tree Way, Lyminge - they had scaled a 6 foot fence and were found wandering around the back of the property - One was seen to be peering through our window. They are travelling around in a rusty white van registration number S261 RKU. The police were called.
