#### News from the Jubilee Centre.....

This month we want to remind you about our **Independent living services**, designed to promote our Client's independence and help them get the services they need.

Perhaps you need a little **help in doing the household chores** like washing, cleaning, ironing or preparing a meal. Do you need help to get to medical appointments or social activities?

Do you need **help with shopping**? We know how hard it can be sometimes to get out to the Supermarket, especially in bad weather, so we can take you shopping, or even do it for you, if you give us a shopping list, and of course we'll deliver it to your door. We can also place your order on the internet for you so it will be delivered in a time slot chosen by you.

Our **Handyman service** provides help with simple home maintenance jobs and we can also supply and fit key safes. There is a small fee for some of these services.

**Diary date:** we are serving refreshments at the Bladbean Stud open days on **Sunday 28<sup>th</sup> July** and **Sunday 6<sup>th</sup> October**. Can you **bake and donate a cake** for the **28<sup>th</sup> July** please?

We are now operating the **Kent Karrier** Bus service - call the Centre for details.

#### Don't forget:

The **Singing for Health** sessions held on the last Friday of the month at 11am - 12 noon. The next few dates are: **28<sup>th</sup> June**, **26<sup>th</sup> July**, **27<sup>th</sup> September** (NB no session in August).

**Sing with us and feel better - you don't have to wait till you are over 50!!**

The **Communion Service** on the first Thursday of the month at 11am. Future dates are: **6<sup>th</sup> June** and **4<sup>th</sup> July**. Support and assistance with transport is also available.

For more information about any of our activities or services please call **01303 269602** and ask for **Matthew** or **Sue** or why not just pop in and see us?

#### Lyminge Friends

In May we had a great talk about Running in the London Marathon and afterwards 15 of us had a very nice impromptu lunch in the Coach & Horses. At the time of writing we are looking at the rain and hoping it goes away in time for our trip to Beech Court Gardens on Wed 22<sup>nd</sup>.

On **Wed 19<sup>th</sup> June**, Heather Willis, a landscape and natural history photographer, will give us a talk entitled *An experience in Nepal*.

Next month our **Garden Party** is on **July 10<sup>th</sup>** and the talk on **Wed 17<sup>th</sup>** is from Eileen Jennings who will talk about *Canoeing down the Orinoco and Other Tales*.

**Meeting are 10.30 - 12.30 in the Tayne Centre Parlour.** We don't have membership fees, only the monthly entry fee of £2.00, includes refreshments. We are a friendly social group and always welcome new members so give us a try. If you'd like to talk to one of us first, call 862427

**Etchinghill Cinema Club** is screening "*The Impossible*" on Monday, 20<sup>th</sup> May, at 7.30 pm at the Etchinghill Village Hall. "*The Impossible*", starring Ewan McGregor and Naomi Watts, is the powerful story based on one family's survival of the 2004 Indian Ocean tsunami. Based on a true story, it is the unforgettable account of a family caught, with tens of thousands of strangers, in the mayhem of one of the worst natural catastrophes of our time.

## **Rhodes Minnis Evening Circle**

We were lucky to have a warm, sunny day for our outing to Teapot Island where 7,000 teapots were displayed, and a cream tea was enjoyed in the garden by the river. Members voted unanimously for this proposal that it should go to government.

A fashion show by Bonmarche followed with six of our ladies modelling the clothes which was greatly enjoyed by all.

Rosemary Piddock won the decorated hat competition. We then had a nice tea, the hostesses being Mary Hickmott, Evelyn Holt and Pat Kent.

## Lyminge Handbell Ringers

A set of handbells was presented to the church bell ringers of Lyminge, in 1960, by the family of former ringer Alec Webb and they have been rung regularly and enthusiastically ever since. In 2001, following

extensive fund raising, plus generous local sponsorship, the original set of handbells was refurbished and augmented. We now have 25 bells, which is a set of 2 complete octaves, and were also able to purchase proper carrying cases to replace our previously used 'washing basket and sleeping bag arrangement'.

For many years the handbells were rung principally at Christmas, and the music was relatively simple. Over time, as the number of team members has increased, the repertoire has expanded and become more challenging. The bells are now rung all year round for a huge variety of events e.g. farmers markets, weddings, a celebration of bells concert, nursing homes, etc. Naturally the handbells also support many Lyminge village events such as the St. Nicholas Fair, Christmas services, the 'switching on' of the village Christmas tree lights and Lyminge Day.

When the handbells are rung for private functions we ask for a donation. Our nominated charity is The Nepali Children's Trust [www.nepalichildrenstrust.com](http://www.nepalichildrenstrust.com), with the money raised here being worth so much more in Nepal.

It is not necessary to be able to read music to ring the handbells because we transpose notation into a numerical format. Thus each bell has a number rather than a note. We just ask for the ability to be able to count up to six! Practices are held throughout the year, with practising happening weekly leading up to an event, but less often if none imminent. Practices take place on a Sunday evening, from 7pm -8:30pm and are held in Ro's kitchen. They always start with tea, coffee and a quick chat. We find the practices to be very enjoyable and fulfilling.

From time to time, as current members retire from handbells, we have room to accommodate one or two new recruits. We always welcome any keen person to join us to have a go.

## Protecting and serving the people of Kent

### From your Police Community Support Officer - Distraction Burglaries

**What is Distraction Burglary?** Distraction burglary is where criminals call at your house posing as officials or asking for your help with something. They make up a story to get in to your home. Generally targeting older people, they have just one intention: to steal!

#### A few tips to keep you safe

- If you're not sure who is at your door, don't open it! Check the identity of the caller by calling the company they are purporting to be from ie. Gas, Electricity, Water or Police. Use the telephone numbers listed in your local directory or provided by your service provider. **Don't use any telephone numbers provided by the caller, they may be bogus.**
- Telephone a neighbour or friend nearby to come along and check out the caller before you open the door to them.
- Some areas in the country have Neighbourhood Watch or Nominated Neighbour Schemes you can sign up to. Check with your local police Safer Neighbourhood Team to find out if there is one in your area.
- Many utility service providers like Gas Electricity and Water, provide password schemes or hotline numbers for customers to call, to check the identity of callers before opening the door. Speak to your utility provider.
- Don't keep large quantities of cash at home; put it in the bank or post office where it is safe.
- Keep doors locked and windows secure at all times. Only put the door chain on to answer the door.
- If somebody asks for your help, needs to make a telephone call, has lost a ball in your garden, needs a drink or request a pen and paper for example, refer them to a younger neighbour or assist them through a closed door. Or call a friend or neighbour to come and assist.
- If you suspect a bogus caller has visited you, even if you didn't let them in, call the police straight away. We need to know!

#### Remember

A genuine caller will happily wait outside while you check on them by calling their organisation and or calling a family member or neighbour. Although the number of distraction burglaries is nowhere near the number of other crimes committed in the UK each day, **in an emergency situation always call 999. For any information or non-emergency crime contact 101.**

## Lyminge Handbell Ringers

Are you planning a local celebration, large or small, but can't think what to do to make it extra special? Would hearing well known tunes played on hand bells fit the bill? If so why not come along to a rehearsal to hear us play and, if you wish, select your choice of music. All we need is a large table for the bells and music, room for up to 12 players and a donation of at least £40 for our charity, the Nepali Children's Trust. A small contribution to travelling costs is also appreciated for bookings more than 5 miles from Lyminge. Weekends and evenings only please and plenty of advance notice is helpful. Want more info or make a booking? Call Ro Edmond on 863201 or email [welldorm@aol.com](mailto:welldorm@aol.com)

## Lyminge Weather Statistics – April 2013

With thanks to Mr D. Godden for these weather statistics and notes.

## Lyminge Heritage Questions and Answers

*Lynchets* are common features of the North Downs and indicate past agricultural ploughing. The word is the diminutive of the archaic word *linch* meaning a ridge or a ledge, especially in chalk downs or an unploughed strip serving as a boundary between fields. The two words have roughly the same meaning and originate from the Old English word *hlinc*. A local example of a lynchet can be seen from New Barn Cross below the Tolsford Hill Tower.

Lynchets are formed by the gradual downward movement of soil as a result of long term ploughing. They appear at old, field boundaries where soil accumulated above the boundary forming a small terrace or *positive lynchet*. Likewise, below the field boundary, soil was lost, forming a dip in the slope or *negative lynchet*. Hopefully the cross-section diagram below will help explain this process of lynchet formation.

Many lynchets have been dated to mediaeval times and some are even thought to be as old as the Neolithic era. I am not certain if the lynchet below the Tolsford Hill Tower has ever been dated. Perhaps a reader knows if it has and can let me know? I will pass on any communication in a future article.

If you have any information about a local heritage subject, then please contact me.

## From your County Councillor

Following the election on 02 May, I'm very pleased to have been returned as your County Councillor for the next four years. Turnout at 35% was among the higher turnouts in Kent so thank you to everyone who took the time to vote.

Most of the work of a County Councillor is done at County Hall but the more enjoyable part for me is being part of local life so do please invite me to events and tell me about your projects. I may be able to help with a grant or advice. I will also gladly help any resident with a County Council matter where they need advice or they find the system hasn't worked. It helps if you keep a copy of correspondence or a note of any phone calls and who you have spoken to as this makes chasing progress much easier. **Letters to Editor**

**NEW LYMINGE SURGERY**

- PLEASE RESPECT OUR PROPERTY

Despite numerous pleas which have fallen on deaf ears, a few people still continue to use our grounds as a short cut to the golf club and for walking their dogs. As a result, our fences and hedgerows have been damaged and there appears to be an unwillingness to understand that there is NO public right of way between us and the golf course.

Consequently, this letter is to let residents know that we have had to resort to CCTV cameras which are in the process of being installed, and that the Police will be kept informed of people who disregard the notice that **there is no public right of way between the golf course and any part of the grounds surrounding the surgery.**

Doctors @ New Lyminge Surgery

**Motorists (Again) – Please Consider Others**

I would like to make a plea to motorists using the Longage Hill/Rhodes Minnis route. Whilst walking here recently I was passed at some considerable speed by several vehicles. This road is narrow and winding and is used by runners, cyclists and walkers like myself on a daily basis. There is a speed limit which seems to be shamelessly flouted by such drivers and I fear it cannot be long before a serious accident occurs if commonsense and observance of this limit do not prevail. It is also a bus route, adding to the dangers. **PLEASE DRIVERS**, show a little care for everyone using this route.

# Out and About

*Do you have any photos of local events or local groups in action, please call 01303 862699. Give your group a FREE plug !*

The winners of the **Village Hall Spring Fever Quiz** were Frugal Fergus with 109 points, with The Collectors team who won the booby prize with somewhat fewer points ! [There was not enough space last month, but we thought they should have their credit !]

▲ The Lyminge Association's Ping Pong Roulette in action

**Lyminge Day** ~ although a bit on the windy side the weather stayed dry for the annual event which raised over £2500 to keep our Village Hall running. The winners of the Lyminge Association's Sands of Time sideshow were Miles Grey for the children and E. Bergin for the adults - congratulations !

▲ The Cinque Port Morris Men provided a display in the sunshine

The Folkestone Rainbow Centre values all its fund raisers - whether it is a sponsored knit-in participant, a quiz team member or even an extra-terrestrial being! Thanks go to Planet Folkestone people who recently had a Sci-Fi Convention at The Grand (May the 4th be with you!) and who organised the Invicta Brass Band to hold a concert at Holy Trinity Church. Lovely music - a bit surreal with the band playing

◀ and Daleks wandering up and down the aisle! The Rainbow Centre supports individuals and families through times of crisis and invest in children's early years and well being.

## Lydinge Archaeological Project 2013

Reading University are returning to Lydinge this summer to continue their exciting excavation

work on Tayne Field. Last year's dig revealed a significant timber frame hall dating from pre-Christian times with excavation work and finds cleaning involving many volunteers from the village.

This year the dig starts on **Monday 22nd July** and continues until Sunday 1st September. Once again local people are being invited to get involved. Those who have no excavation experience will be given an induction session in the Tayne Centre. These will be held on Saturday and Wednesday mornings for the first four weeks of the dig.

If you fancy spending time this summer helping to discover more of Lydinge's early history, then please visit their website where full details of how to take part can be found.
