Lyminge Dramatic Society

We are putting on the comedy **'My Three Angels'** by Samuel and Bella Spewack at Lyminge Village Hall from Wednesday 27th to Saturday 30th November inclusive. The play starts at 7.30pm and tickets are £7.50 for adults and £5 for children each night with senior citizen concessions at £5 on the Wednesday and Thursday nights only. The tickets are available from Laing Bennett on 01303 863393 or from nodaboxoffice.co.uk.

A brief synopsis of the play: It is 1910 and we are in French Guiana at Christmas time. Three convicts are working on the roof of the Dulay family home. On Christmas Eve they come down from the roof and in the following 24 hours they play a pivotal role in changing the lives of the Dulay family. Their methods are somewhat unorthodox - they are convicts after all! BUT..... when they return to the roof they leave behind a much happier and more contented family. This is a warm, gentle comedy, proving that there is always hope - especially at Christmas.

Our **Youth Theatre Group** now meets at the Tayne Centre from 5.45-7.15pm on Mondays. Last month we put on a wonderful evening of entertainment 'All the World's a Stage', which featured one of our new members. If you would like to join the Society and take part, either on stage or backstage, please contact our membership secretary Alex Todd on 01303 862622.

Rhodes Minnis Evening Circle

We had a good evening in September when Derek and Steve Morris from Farthing Common Nursery brought plants and bulbs for sale and gave us advice on their planting and aftercare. The competition was won by Daphne, with Pearl 2nd and Ann Weatherall 3rd. In October John and Jane Buss gave us a talk on the Elham Valley Railway Line. This opened in 1889, running from Shorncliffe to Canterbury, taking 6 years to build and eventually closing in 1947. It was very interesting to learn of and see slides of our local history. The competition was won by Molly, with Pauline 2nd, Gill 3rd and Daphne 4th. On November 20th Heather Willis is returning to tell us about the Islands of Barra and Skye. We meet at Rhodes Minnis Village Hall at 7.30pm, and visitors are very welcome. For further information contact Diana Bennett on 862134

NOVEMBER IN THE GARDEN - LYMINGE GARDENERS' SOCIETY

Have you planted your spring bulbs yet? It is not too late to plant Tulips for late spring colour. Other bulbs that should have been planted by now can still be planted near the relative warmth of the house. In a pot by the back door is ideal.

Although the winter is fast approaching there are still many things to do in the garden. If you have a greenhouse or cold frame try sowing some sweet peas in early November to overwinter, this will provide a good strong plant for colour next year. Fallen leaves can be turned into mulch; once you have collected the leaves put them in a black sack with a few holes in the bottom, water the leaves but allow the water to drain from the holes. In about 9 to 12 months you will have your free organic product.

Prepared bulbs can be planted indoors now and provide colour for you home in mid-winter.

At our next meeting on Tuesday 19th November our talk 'Xmas Tales', by Mrs Janet Bryant will give ideas as well as some history about plants that are often associated with Christmas. This is also the last date members can book for our Christmas meal on Tuesday 17th December, a 2 course traditional Christmas dinner with all the trimmings for £5. Please contact Veronica on 01303 862264 for more information.

After Christmas try growing your own early new potatoes. Buy seed potatoes early in the New Year and allow them to sprout in a cool frost free place with good light, an egg box is ideal to put them in. At the end of January when the tubers have sprouted plant them in a large pot or other container in about 4 – 5 inches of compost, water and place in a cool but frost free place. When the shoots appear add another level of compost and keep doing this until the pot is full, by mid-April you should have your first crop of potatoes.

Winter provides a chance to sit back and review the previous year's successes and failures, as well as an opportunity to plan next year's growing season. As the weather gets cold please do not forget to feed the birds and provide them with some water to drink. Insects and bugs will appreciate a small area left untidy to overwinter in.

Next year Lyminge Gardener's Society has another full and varied programme arranged. Membership is just £5 for the year, an ideal Christmas present for yourself or a loved one!

Heating your home – are you putting yourself at risk of fire?

Kent Fire and Rescue Service (KFRS) is warning residents of potential fire hazards as households feel the pinch of fuel costs and switch to alternative ways of keeping warm as the weather gets colder. Research shows that those most at risk are people who live alone and on a low income, with older people or single-parent families even more vulnerable.

Area Manager Community Safety Stuart Skilton said: "With high gas and electricity prices, some residents may struggle to make ends meet and there is a real concern they may resort to more risky methods of heating and lighting their homes, resulting in more accidental fires. I appeal to all residents to ensure you have working smoke alarms fitted in your property to provide early warning of fire and to think very carefully before taking a cost-cutting risk that could result in you getting seriously injured or killed in a fire."

Follow this advice to avoid cost-cutting risks that could take your life are:

- Make sure chimney and flues are checked and swept before use. Burning wood or other fossil fuels in open fires and stoves that have a build up of soot or in a poor state of repair can cause a chimney fire.
- Ensure any electric or gas heater is fully inspected and fit for use and never use them to dry washing. Using old and potentially faulty portable heaters and oil or paraffin stoves are particularly hazardous in the home, especially if positioned close to furniture or upholstery.
- Check electric blankets are in good working order before use. Never use an electric blanket that is over 10-years-old and always ensure you follow the manufactures instructions.
- Avoid using candles and paraffin lamps for lighting instead of switching on the lights - never leave naked flames unattended and exercise extreme caution if burning other fuels.
- Only use cooking appliances intended for use indoors. Never use Calor gas stoves or barbecues indoors to cook with – these items should never be used indoors as they are a serious fire hazard and create deadly toxic fumes.
- Consider installing a carbon monoxide detector to help prevent the risk of carbon-monoxide poisoning

If you have concerns about keeping yourself or a friend or relative safe from fire or would like more information about the free advice and services available from KFRS call 0800 923 7000 or go to www.3breaths.info.

Friends of Kent Churches Annual Bike Ride

Twelve adults, two teenagers, one child. - oh, and 15 assorted bicycles. Individually a fairly unremarkable sight, ranging from 'senior citizens' on bikes designed for local shopping trips, to a young tear-a-way with a weightless machine. Put them together and you see an impressive cycling unit, capable not only of progressing towards Postling without getting off to push, but in creating a tailback of traffic all the way back to Canterbury road.

Once we had shaken off the remaining irate motorist, we were able to cycle freely to Postling church where refreshments were supplemented by one of their regular fund raising cake sales. Congratulations to the lady who made the deliciously potent whiskey cake! We followed our usual route down through Saltwood to Hythe, then Folkestone, Cheriton, Newington, and back by various return routes to Lyminge. Apart from a few spatters of rain as we set off, the day remained dry throughout.

I'm sure that everyone enjoyed the day, and the satisfaction of raising the magnificent sum of **£770**. Where did that come from? This is one of the highest totals we have raised in recent years and made possible by the persistence of the cyclists and the generosity of their sponsors.

Thank you all very much. **Lawrence Lees**

Members were welcomed to our 91st birthday meeting by Barbara Syrett. A birthday posy was presented to Julia Tappenden. June Manton read items of interest from the East Kent News. Our speaker, Sue Watson sang Kentish folk songs and recited poetry which was very entertaining and amusing and enjoyed by us all. The competition for an autumn arrangement was won by Rosemary Piddock. We then had a delicious tea, the hostesses being members of the committee and a very pleasant afternoon was had by everyone.

Next meeting is the annual general meeting on Tuesday, November 19 at 2.30pm in the village hall. For more information, please contact Barbara Syrett on 01303 265229 or Rita Warner on 01303 863503

The **Lyminge Association** hosted their annual Tea Party as a Thank You to the band of nearly 50 Newsletter Deliverers on Saturday 21st September. Without these volunteers there would be no Newsletter ! ▼

Mystery Photo

Last month's picture was a low down view of the bridge from Well Field towards Tayne Field. How about this one ?

The **Lyminge Association** and **Lyminge Parish Council** have jointly funded our permanent celebration of the Diamond Jubilee of Queen Elizabeth II and on Thursday 24th October the final part arrived from Cleverley and Spencer of Dover to fit on the top of the ragstone and concrete plinth. A dedication is planned for the Saturday 16th November - watch out for posters nearer the time. The stone is actually an orientation table with a compass rose and directions to several towns and cities with royal or local connections. Do we call it The Jubilee Stone, Jubilee Compass or do you have an alternative - send your suggestion to 01303 862328 and leave a message.
