News from The Lyminge Association

The Lyminge Association would like to thank everybody for their help and support in making Her Majesty's 90th birthday celebration a great success.

The Queen's representative, Deputy Lord Lieutenant, Mrs Ros McCarthy, was extremely complimentary and very much enjoyed her time with us.

We've received many flattering comments but the one I will share with you came from the men who ran the bouncy castles for us - they '*found the children extremely well mannered*'.

The Association's aim was to run a fun day and break even financially. With the financial support of the Parish Council and Laing Bennett and the many contributors to the raffle, we achieved our aim, hopefully leaving everybody with many very happy memories. **THANK YOU ALL!!**

Garage Safari

The Lyminge Association's next big event is the **Garage Safari** on **18 September**.

To those new to the villages, this is an opportunity to move belonging which you no longer need to pastures new. You set up stalls of these items in your own garage/drive and register your address with the Association (£5). We then produce a map with your location and a brief description of the goods for sale, along with some address markers on the day.

Hey presto, Saturday 19th September sees flocks of buyers roaming the villages in search of buying your bargains.

So why not give it a go. Details can be obtained from Sylvia Norris (01303 863537 or sylviamnorris@gmail.com) after 1st September.

SPEED WATCH

For anyone who thinks the Parish Speed Watch sessions are a waste of time - on Monday 11th July, NINE VEHICLES WERE RECORDED driving at speeds over 35 MPH along Canterbury Road in Etchinghill!

VEGETATION

Sorry to labour the point, but have you checked your garden from the roadside? There are still a number of properties around Etchinghill which are interfering with the public's access to the pathways with vegetation overhanging the paths. Some of our paths are quite narrow so please spare a thought for the pedestrians amongst us, who are trying to get past without being grabbed by the triffid-like growth coming over your fence, rockery or garden wall!

If you wish to include an article in the Etchinghill Update please e-mail to barbara.newing@hotmail.co.uk or ring 862873

We meet in the back room of the pub and informally read a play. There is no charge and we do not act, instead we take turns to read the play. Rhodes Minnis Circle

The Queen's birthday celebration party held on the 15th June was a great success. The village hall was beautifully decorated (with help from our menfolk) and an excellent tea was provided by our members. Music was provided by Sophie Peers who sang lovely songs to entertain us and our guests. On 17th August Pat Marshall will be giving us a talk on Guide Dogs for the Blind.

We meet at Rhodes Minnis Village Hall at 2pm and visitors can have their first visit free! For further details please contact Marion Hoare (862913)

District Councillors Report - August 2016

On 06 July, Patrick McLoughlin, Transport Secretary at the time, announced that Stanford West had been chosen as the site for a lorry holding area to park up to 3,600 lorries during Operation Stack. It was also announced that construction work would start 'as soon as possible' with spaces available from summer 2017. The results of the public consultation held in December/January were also announced with 1,279 responses received. 55% of those who responded strongly supported or supported the proposal for a lorry holding area with 29% strongly opposed, 5% opposed with the balance expressing no views.

There is a saying, "It is difficult to make predictions, especially about the future" however, it seems likely that with a builder (Balfour Beatty) appointed and a public consultation in favour of the project that Highways England is likely to go ahead with it despite the subsequent change in Prime Minister and Transport Secretary. We are pressing for more information for the residents affected (as of 18 July, there's not even a site plan issued) and a decent compensation package. Highways England requires no planning permission from either Shepway District Council or Kent County Council so we cannot place any conditions on them. However we will be using all the influence we can to get hard and soft landscaping in place and better treatment of the people directly affected by this massive development.

In any other month the Places and Policies draft paper that recently went to Shepway's cabinet would be our major piece of news. It is the draft document showing where larger developments are likely to be permitted across our district. Under the planning system there's a 'call for sites' and landowners are asked to submit land for consideration (the usual cut off point is 15 houses or more.) These sites are then assessed by your district council against national and local policies and ranked in terms of suitability. Shepway District Council must allocate enough sites for development to meet the assessed need for new homes. If insufficient allocation is made then developers can apply to build where they wish. There will be a public consultation on the plan this autumn.

We both attended the Lyminge Parish Council meeting held at Etchinghill on 27 June, the Lyminge school fete on 02 July and the Lyminge Fun Day on 16 July. We were asked to help judge the best decorated go kart at the Fun Day and had four splendid entries to choose from – The Police Prisoner Transport won but we also loved the rocket with the mini astronauts, the Girl Guides' entry as Lizzies Whizzies and Her Majesty the Queen.

By the time you read this newsletter work may have started on a replacement for the village gateway at the Folkestone end of Lyminge village. The current design is cited as an example of bad practice in the Areas of Outstanding Natural Beauty design guide and we have been careful to ask for the AONB Unit's blessing for the replacement as well as Lyminge Parish Council. There will also be a small stretch of pavement resurfaced and funding for all this (£3,110) comes from our Shepway ward plan grant. It is hoped to coordinate this work to minimize disruption with the resurfacing of a stretch of Broad Street which is planned for this summer.

Jenny attended a ceremony at the Memorial Arch in Folkestone to mark the 100th anniversary of the Battle of the Somme on 01 July placing a small cross to mark the names of soldiers from our area who fought and died in this battle including three from Lyminge – Private William Morris, Private Cecil Bushell and Private Sidney Bailey.

Jenny is due to see Matthew Scott our new Police and Crime Commissioner on 24 August so if you have any issues you'd like her to raise then do contact her. Matthew is also very happy to hear from people directly (Susan has already bent his ear about speeding and the more of us that do this the further up the Kent Police priority list it will go).

Lyminge Weather Statistics – June 2016

With thanks to Mr D. Godden for these weather statistics and notes.

	Temperature (°C)	Air Pressure (hPa)	Wind Speed (mph)	Total Monthly Rainfall
Maximum	29.3 (08/06/16)	1003 (14/06/16)	33.0 SE (02/06/16)	140.1mm
Minimum	7.6 (09/06/16)	1029 (18-19/06/16)	Highest Daily Rainfall	20.0mm (22/06/16)

Highest rainfall since 2012, being roughly double 10 year average. Wind strong at start of month, moderate since. Temperature just above average.

Summer Health Advice – get prepared in Deal, Dover and Shepway

Most of us welcome hot weather in Deal, Dover and Shepway, but when it's too hot for too long, there are health risks. You can avoid feeling uncomfortable or unwell by making sure you are prepared for summer.

Ensure you stay hydrated – carry a bottle of water with you, especially if you're heading out for the day or making a long journey. It's also a good idea to wear cool clothing and stay out of the sun between 11am to 3pm.

If you do feel unwell, use the right health service. A&E departments are for life-threatening illnesses only.

Summer conditions such as sunburn, hayfever or dehydration can be easily prevented and treatment is available. Local pharmacists are trained clinicians who can provide expert advice on how to help manage illnesses as well as providing guidance on the best treatments. A basic first aid kit at home can help with minor ailments, such as stomach upsets, allergies, headaches, sunburn and insect bites. Visit the NHS First Aid Kit guide.

Letters and Notes to The Editor

BONFIRES can be a source of irritancy to some people, particularly to those with poor health or even a lot of washing to dry on clothes lines. Please be considerate and check that **YOU** aren't causing undue distress by disposing of your rubbish in this way. Many thanks.

KEYS found - Louise has found some keys on Woodland Road. Please contact her on 07921 834547.

OTTERPOOL PARK GARDEN TOWN - Dear Sir, I read Councillors Jenny Hollingsbee and Susan Carey's report in the July edition (P4) concerning Otterpool Park Garden Town in disbelief at their support for this dreadful project.

Were it ever to come about, it would not be a 'Garden anything' but a New Town, bigger than Hythe, having 12,000 houses offering homes to 30,000 more people with their 20,000 cars, all new to the area. It would be a Hawkinge MkII, with even more crowding leading to a downgrading of local house prices. Postage-stamp gardens and the smell of exhaust fumes hanging in the air would potentially damage children's' health. This part of Kent, the Garden of England, would be no more.

The villages of Lympe, Westenhanger and Sellindge would disappear, buried under the New Town. By the time the schools, shops and surgeries had been built and the area torn up by the installation of new mains sewers, pumping stations and roads, it would be 'hell on earth' for those of us remaining here.

And there's more - water supply is a huge issue that neither Councillor has mentioned. This part of Kent has already been given a 'Groundwater Scarcity Status' leading potentially to serious shortages of this vital commodity, and that's without a single new house being built.

Much of the racecourse would be concreted over to provide for thousands of cars used by commuters to get to and from a new Westenhanger Parkway Station which would be at least as big as Folkestone Central, whilst the remainder of the Racecourse would be built over to accommodate more houses, shops and car parks.

The numbers - people, buildings, along with the promised 30% of 'Green Open Space' of this absurd Garden Town simply do not stack up. Come on Councillors, you need to get real!!

Lyminge Hand Bells

The Lyminge hand bell ringers have been playing in and around Lyminge for well over 25 years. Although Christmas is our busy time, we also attend fetes and local private celebrations throughout the year. If you think the sound of hand bells would suit a special occasion you are planning, then please contact us.

We have an increasingly wide selection of music from which to choose. All we require at the venue is a large table for our bells and music, room for up to 11 players and a minimum donation of £40 for our current charity, the Nepali Children's' Trust. A small contribution to travelling costs is also appreciated for bookings more than 5 miles from Lyminge. Please provide plenty of advance notice.

If you would like more info or make a booking, please call **Ro Edmond** on 863201 or email welldorm@aol.com

Patients urged to use GP time carefully

NHS South Kent Coast Clinical Commissioning Group is urging local people to make effective use of GPs' time.

South Kent Coast governing body member and Deal GP, Dr Chee Mah, said: "There is a national shortage of GPs, and that's why it's essential for GPs' resources to be used effectively. We'd never wish to turn away those who require our help, but sometimes we're contacted by people who don't need to see a GP. For example, many common illnesses, such as indigestion usually clear within 48 hours without any need for medical intervention. Sometimes patients seek non-medical general advice, when it may be better for them to contact organisations from our excellent community and voluntary sector, such as Age UK. Many people also forget about the valuable role that pharmacists play. They can offer guidance and advice to many people about a range of minor illnesses and ailments. And they can also help in other ways, such providing access to smoking cessation, sexual health and alcohol support services. Pharmacists are trained experts in the use of medicines who can advise patients about the safe use of prescription and over-the-counter medicines. Many pharmacies are open until late and at weekends.

Health Help Now is available on the web at www.healthhelpnow-nhs.net or it can be downloaded. It has lots of local information and can guide you to the service that will be best able to deal with symptoms. It also shows when services such as pharmacies are open or closed. There's also advice and helpline details for people who are feeling low or experiencing emergency dental problems. People can find advice on self-referring for a talking therapy if they're experiencing mixed anxiety and depression, instead of having to see a GP. With just 82 GPs looking after 200,000 people in Deal, Dover and Shepway, we have to think about how we use GPs' time. In the meantime, we're doing all we can to attract new GPs to the area and developing integrated care so that we can support and help local people to lead healthy and happy lives."

'Lyminge a history' – reviews (contd)

In this installment of the reviews of Lyminge a history – a social history of Lyminge Parish, Nigel Thomas looks at volumes 3 & 5 of the series.

Parts Three and Five consider the intrusion of World Wars on the community and we become aware of youth experiencing new worlds, entirely different from the static behaviour patterns of the past. Part Three has extracts from local diaries offering an insight to the importance of routine in coping with bombing and aerial dogfights. There is a disturbing account of how Lyminge might have fared in the German invasion, Operation Sea Lion, and then a couple of balanced articles, one on fighting through Italy which is set against a civilian account of the same times. There is a beautiful end-piece of war-time memories by Ted Burren, a consummate local craftsman of international repute in the making of harpsichords. This is a village of exquisite surprises. Inevitably, in its study of War Memorials, much of the documentation in Part Five is of lives lost and families consequently shattered, but it movingly illustrates the prices paid and the gaps left in so many Lyminge families after both wars. It is also brilliantly and painstakingly researched. The articles bring home the poignancy of foreign fields, forever England and movingly places a value on every Lyminge man remembered.

Next time Nigel will review volume 4 & 6 – these volumes broadly cover Lyminge's involvement in the 19th century Swing Riots, part of our cultural history and archaeology before the recent Anglo Saxon digs from the 1950s.

All the volumes are available for sale through Lyminge Food & Wine Stores, the Post Office Store and direct from the Lyminge Historical Society when a discounted deal is available if you buy all seven volumes.

SITUATION VACANT - TREASURER

The Lyminge Association will shortly have a vacancy for a treasurer following Jean Howard's decision to stand down at the forthcoming AGM in October. Jean, has given immense support to the Association over the years and we now wish to continue this trend by identifying her replacement.

The annual turnover is just under £10,000 (2014-15) and the accounts are very straight forward with a few regular income streams and expenditures. The Association regularly supports the monthly newsletter, garage safari, garden safari, Christmas present delivery, Lyminge calendar, stream clean as well as a number of one-off events e.g. Lyminge Fun Day 2016, litter picks, etc.

If anybody would like to be considered for this pivotal appointment, would they either please contact me, Peter Barnes, chairman (01303 863737), or Jean (01303 862488) in the first instance.

Volunteers Wanted!

Court Lodge Green (opposite the Village Hall) has village green status. A small, friendly group are meeting on the second Thursday of every month, at 10.30am for approximately an hour and a half (starting in September). We will meet in the car park next to the village hall. We are trying to support the natural habitat by creating biodiversity for plants and animals. If you would like to help in one of these practical sessions, please feel free to come along and lend a hand. You do not have to commit to this every month.

Please note, that the ground is uneven so wear good footwear and clothes that cover your skin as there are nettles, etc. Bring garden gloves if you have a pair. This project is not suitable for children.

If you would like further information, please contact Audrey - abailey447@aol.com. This project has been supported in part by 'Up on the Downs' (uponthedowns.org.uk).
